

Environmental and Geographical Science || Masters/PhD Application Form

Please read the requirements at www.egs.uct.ac.za/egs/applications carefully before completing the departmental application. **You must submit an Online University Application to the faculty and this application to the department.**

Please submit the following documents in a single pdf document, in the following order

1. Departmental application form (this form)
2. Scanned academic transcripts
3. Curriculum vitae
4. Research proposal max 1000 words (area or area(s) you are considering for your dissertation)
5. Statement of interest including motivation for attending the course (coursework applicants only)

In addition, please ask two academic referees to send their letters of reference directly to tanya.basadien@uct.ac.za by the application deadline

If any of the above documents are not received, your application will be considered incomplete and may not be considered

Personal Details
