

**ANNUAL INTERNATIONAL STOCK ASSESSMENT REVIEW WORKSHOP, UNIVERSITY OF CAPE TOWN, MONDAY 28 NOVEMBER TO FRIDAY 2 DECEMBER 2016**

**ROOM M212, MATHEMATICS BUILDING, UCT**

**SCHEDULE UPDATE**

Discussion will take place from 9 am to 5-30 pm each day, with 30 minutes breaks for tea at 10-30 am and 3-30 pm, and 90 minutes for lunch at 12-30 pm, unless otherwise indicated below.

- Monday 28: All Monday sessions will focus on introductions of key documents  
9-00 Penguins – power analysis for island closures  
11-00 Penguins – pressure model; 12-00 Sardine – stock structure  
14-00 Sardine – stock structure then MP testing  
16-00 Hake – predation models then updated assessment
- Tuesday 29: 9-00 Hake – GeoPop then return to other hake topics  
11-00 Sardine – stock structure (and spatial management implications)  
14-00 Penguins – power analysis then pressure model  
16-00 Penguins to 16-30 if required, then Sardine MP testing
- Wednesday 30: 9-00 Session times as above, but order of business will depend on earlier progress; these will be posted on the website the previous late afternoon;  
16-00 Discussion session: Ecolabelling: the most successful initiative to improve fisheries' sustainability over the last decade, or an intervention that restricts developing countries from market access? (details to follow)  
**NB: Venue – Mathematics Building Room M304**
- Thursday 1: 9-00 Session then and also at 11-00, following which the workshop will likely break for the day to allow the Panel time for report preparation
- Friday 2: 9-30 - 11-00 Penguins  
14-00 Review of Panel Recommendations  
15-30 Review Panel layperson summary/questions (**Mathematics Room M304**)

**DOCUMENTATION AND ATTENDANCE**

Documents for background (BG) and for discussion (P) at the event have already been and for the next few days will continue to be posted on the website: <http://www.maram.uct.ac.za/maram/workshops/2016>

Attendees should download beforehand, as hard copies will generally NOT be provided at the event. HOWEVER there will be some documents that cannot be posted on the website for technical reasons (e.g. copyright if already published). These will be emailed to those advising participation, and a few hard copies of some will be available at the workshop.

**Could those** (who have not already done so – thanks to those who have) **wishing to attend part or all of the event please send an email to Di Loureiro** [di.lapidoloureiro@uct.ac.za](mailto:di.lapidoloureiro@uct.ac.za) copied to [doug.butterworth@uct.ac.za](mailto:doug.butterworth@uct.ac.za) and Candysse Vrancken [vrncan003@myuct.ac.za](mailto:vrncan003@myuct.ac.za) indicating the topics for which you wish to attend (this is not necessary for attendance at the Wednesday 4 pm Ecolabelling discussion or the final Friday lay summary session).

Note that no further general circulars about the event will be widely distributed in this manner. **Further information, as appropriate, will be emailed ONLY to those who have advised their intent to participate.**
