

Jack de Wet Competition 2013

holographic QCD: strong interactions from duality

“Those who are not shocked when they first come across quantum theory cannot possibly have understood it.”

- Niels Bohr

The Centre of Theoretical and Mathematical Physics is proud to invite maths and science students from any higher education institute in South Africa to submit solutions to this year's problem.

The winner will be invited to the University of Cape Town for a presentation and award ceremony where the R2000 prize will be given.

Deadline: 15 February 2014

For details of this year's problem and how to apply visit: www.phy.uct.ac.za/weigert/JdW2013.pdf
