

MAM

PRC

The Department of Mathematics and Applied Mathematics is one of the bigger departments in the Faculty of Science. To give postgraduate students a voice, you are invited to be part of the **MAM Postgraduate Representative Council**.

It consists only of postgraduate students (Honours, MSc, PhD and Post-doc).

Our mandate is to:

- 1) Build and foster a **postgraduate dynamic** within MAM
- 2) Build relations with the various research groups in MAM
- 3) Mentor incoming postgrads and undergraduates

If you would like to join or for more information:

Let us work together to create a better MAM dynamic for all of us in the department.

"Coming together is a beginning. Keeping together is progress. Working together is success" Henry Ford
